

FlashDome™ LED Beacon

The FlashDome™ from Hosiden Besson is an ultra efficient beacon, ideal for use as in all environments where emergency alerts are used for persons with impaired hearing.

The FlashDome™ is a sleek, conical design complementing the current Banshee™ range and can be mounted on existing bayonet fitting bases.

With an exceptionally low current consumption, a proven design and an optically efficient lens the FlashDome™ provides an ideal solution for visual indication.

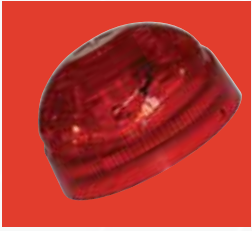

- Aesthetically proven shape
- LED design for durability
- Easy install
- Weatherproof option
- Polycarbonate housing

FlashDome™ LED Beacon

product data sheet

Specification
